

**REMARKS**

Applicant received a Notice of Drawing Inconsistency With Specification mailed June 28, 2005 after having received a Notice of Allowance and Fee(s) Due mailed May 16, 2005. In the Notice of Drawing Inconsistency With Specification it is pointed out that Figures 1A and 1C are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification. Applicant proposes amendment of paragraph 31 of the specification to reference figures 1A, 1B, and 1C, where only figure 1B was referenced before. It is respectfully asserted that the foregoing amendment redresses the grounds set forth in the Notice of Drawing Inconsistency With Specification for requiring Applicant to submit corrected drawings. Moreover, the foregoing amendment is asserted to be properly enterable under 37 C.F.R. § 1.312.

Applicants respectfully request that the Examiner call the below listed attorney if the Examiner believes that such a discussion would be helpful in resolving any remaining problems. Applicant believes no fee is due with this response. However, if a fee is due, please charge Deposit Account No. 06-2380, under Order No. 65744/P009CP1/10313153 from which the undersigned is authorized to draw.

Dated: July 19, 2005

Respectfully submitted,

By R. Ross Viguet
